PLANNING AND ZONING

Mr. George Leary, Land Use Administrator, and Ms. Sara Isebrand, Land Use Specialist, presented the following items to the Board.

Commissioner Stuehrenberg moved and Commissioner Campbell seconded the motion to approve the following resolution:

Resolution GRANTING a conditional use permit for the removal of more than fifty cubic yards of clay for the reconstruction of Minnesota State Highway 83. The property is zoned Agricultural and is located in the SE ¼ of the SW ¼ of Section 30, LeRay Township. T-108-N; R-25-W.

WHEREAS, Leona Seys Family Trust, owners of the following real estate in the County of Blue Earth, Minnesota, to wit:

The Southeast Quarter of the Southwest Quarter of Section 30, Township 108 North, Range 25 West, Blue Earth County, Minnesota.

WHEREAS, the Planning Agency of the County has completed a review of the application and made a report pertaining to said request (PC 04-11), a copy of said report has been presented to the County Board; and,

WHEREAS; the request to place more the removal of more than 50 cubic yards of clay does not conflict with the Land Use Plan, through approval of a Conditional Use Permit authorized by the Blue Earth County Board of Commissioners; and,

WHEREAS; the Planning Commission of the County on the 2nd Day of March, 2011, following proper notice held a public hearing regarding the request, and following due consideration of presented testimony and information, voted unanimously to forward the matter to the County Board with a recommendation for approval subject to conditions contained in staff report PC 04-11, and,

WHEREAS; the County Board on the 15th Day of March, 2011, held a public hearing regarding the request, and following due consideration of presented testimony and information, voted unanimously to approve the request subject to conditions included in staff report PC 04-11, and,

WHEREAS, the Blue Earth County Board of Commissioners finds:

1. That the proposed use conforms with the county land use plan.
2. The demonstrated need for the proposed use.
3. That the proposed use will not degrade the water quality of the county.
4. That the proposed use will not adversely increase the quantity of water runoff.
5. That soil conditions are adequate to accommodate the proposed use.
6. That the proposed use does not create a potential pollution hazard.
7. That adequate utilities, access roads, drainage and other necessary facilities have been or are being provided.
8. That adequate measures have been or will be taken to provide sufficient off-street parking and loading space to serve the proposed use.
9. That facilities are provided to eliminate any traffic congestion or traffic hazard which may result from the proposed use.
10. That the conditional use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted.
11. That the establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding vacant property for predominant uses in the area.

12. That adequate measures have been or will be taken to prevent or control offensive odor, fumes, dust, noise and vibration, so that none of these will constitute a nuisance, and to control lighted signs and other lights in such a manner that no disturbance to neighboring properties will result.

NOW THEREFORE BE IT RESOLVED, by the Blue Earth County Board of Commissioners, that the Conditional Use Permit is hereby **granted** contingent upon the following:

1. That the project shall be completed prior to the end of the 2011 construction season. This shall include the final restoration of the area back to the original use as an agricultural field.
2. That adequate erosion control is maintained throughout the project. This may include, but is not limited to, temporary seeding, silt fencing, placement of fiber blanket, mulching, staked straw or hay bales etc.
3. The applicant shall provide a bond or other financial assurance acceptable to the county in the amount of \$5,000 for the completion of final reclamation of the site back to an agricultural field.

This Conditional Use Permit shall become effective immediately upon its passage and without publication.

The motion carried. 2011-76

Commissioner Purvis moved and Commissioner Piepho seconded the motion to approve the following resolution:

RESOLUTION GRANTING A REQUEST TO CONSTRUCT TWO TOTAL CONFINEMENT SWINE FINISHING BARNS CAPABLE OF HOLDING 4,800 FINISHING PIGS OR 1,920 ANIMAL UNITS AND IS LOCATED IN THE SW ¼ OF THE NW ¼ SECTION 34, MCPHERSON TOWNSHIP. (T-107-N, R-25-W)

WHEREAS, Greg & Robin Strobel, owners of the following real estate in the County of Blue Earth, Minnesota, to wit:

The South Half of the Northwest Quarter (S ½ NW ¼), of Section 34, Township 107 North, Range 25 West, except the West 50 feet thereof, containing 78.59 acres, more or less.

WHEREAS, the Planning Agency of the County has completed a review of the application and made a report pertaining to said request (PC 5-11), a copy of said report has been presented to the County Board; and,

WHEREAS; the Planning Commission of the County on the 2nd Day of March, 2011, following proper notice held a public hearing regarding the request, and following due consideration of presented testimony and information, voted unanimously to forward the matter to the County Board with a recommendation for approval subject to conditions contained in staff report PC 5-11, and,

WHEREAS; the County Board on the 15th day of March, 2011, held a public hearing regarding the request, and following due consideration of presented testimony and information, voted unanimously to approve the request subject to conditions included in staff report PC 5-11, and,

WHEREAS, the Blue Earth County Board of Commissioners finds:

1. That the proposed use conforms with the county land use plan.
2. The demonstrated need for the proposed use.
3. That the proposed use will not degrade the water quality of the county.
4. That the proposed use will not adversely increase the quantity of water runoff.
5. That soil conditions are adequate to accommodate the proposed use.
6. That the proposed use does not create a potential pollution hazard.
7. That adequate utilities, access roads, drainage and other necessary facilities have been or are being provided.
8. That adequate measures have been or will be taken to provide sufficient off-street parking and loading space to serve the proposed use.
9. That facilities are provided to eliminate any traffic congestion or traffic hazard which may result from the proposed use.
10. That the conditional use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted.

11. That the establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding vacant property for predominant uses in the area.

12. That adequate measures have been or will be taken to prevent or control offensive odor, fumes, dust, noise and vibration, so that none of these will constitute a nuisance, and to control lighted signs and other lights in such a manner that no disturbance to neighboring properties will result.

NA13. That the density of proposed residential development is not greater than the density of the surrounding neighborhood or not greater than the density indicated by the applicable zoning district.

NA14. That site specific conditions and such other conditions are established as required for the protection of the public's health, safety, morals and general welfare.

NA15. That the intensity of the proposed residential development is not greater than the intensity allowed in the Agricultural Zoning District. Section 24-111 of the Agricultural District States: "Owners of property, residents, other users of property in the agricultural zone, and neighboring properties adjacent to the agricultural zone may be subjected to inconvenience or discomfort arising from normal and accepted agricultural practices and operations including, but not limited to; noise, odors, dust, operation of aircraft and late night operation of farm machinery, the storage and application of manure, fertilizers, soil amendments, herbicides, and pesticides associated with normal agricultural operations."

NOW THEREFORE BE IT RESOLVED, by the Blue Earth County Board of Commissioners, that the request to construct two total confinement swine finishing barns capable of holding 4,800 finishing pigs or 1,920 animal units and is located in the SW ¼ of the NW ¼ Section 34, Mcpherson Township. (T-107-N, R-25-W) is **granted** with the following conditions:

1. That the total confinement barn conforms to the site plan attached to this report PC 05-11.
2. That the feedlot be located on a single, legally described parcel consisting of a minimum of 40 contiguous acres. The parcel shall be a parcel of record, properly recorded in the Blue Earth County Land Records Office.
3. That the applicant must obtain a Blue Earth County Feedlot Permit before any animals are placed in the barn.
4. That the applicant obtains a Blue Earth County Construction Permit before building begins and within one (1) year from the date the County Board of Commissioners approves the Conditional Use Permit. The permit shall be rendered invalid if application for a Construction Permit is not made within this one (1) year period. Time extensions for Conditional Use Permits must be obtained from the County Board of Commissioners subsequent to a public hearing conducted by the Planning Commission.
5. If required by the Department of Natural Resources, the applicant shall obtain a DNR “Water Appropriations Permit” before any animals are placed in the barn.
6. That a perimeter footing drain tile be located at or below the bottom of the pit footings. The footing tile shall include one inspection pipe for each concrete pit. The native materials must be excavated and walls back filled with granular material (pit run gravel or equivalent). *Exceptions to this may only include specific design standards submitted by the design engineer of the manure storage structure.*
7. That application of manure is on the land documented in the aerial photos included in the State of Minnesota Application for Construction and Operation of an animal feedlot. The application of manure shall comply with standards set forth by the MPCA. This plan must be reviewed by the operator each year and updated each year and adjusted for any changes in the amount of manure production, manure nutrient test results, fields available for receiving manure, crop rotations, or other practices which affect the available nutrient amounts or crop nutrient needs on fields receiving manure as required by the MPCA. Records of manure application shall be maintained as required by the MPCA. Manure application setback standards for the fields on which the manure is applied shall be followed as required by the MPCA and the County.

8. That the disposal of dead animals be consistent with the Minnesota Board of Animal Health regulations.
9. When rendering is used as a mortality disposal the applicant shall provide an enclosed location for the pickup.
10. That adequate measures be taken to minimize or control offensive odor, fumes, dust, noise, or vibrations so that none of these will constitute a nuisance.
11. That all manure storage structures must be designed by a registered engineer. (The MPCA has a copy of the manure storage structure plans and the soil investigation report.)
12. That the applicant will furnish a copy of the final construction report to Environmental Services verifying that the concrete manure storage structure was constructed per approved engineered design plan within 60 days of completion of any new or modified manure storage area. Said construction report shall be signed by the design engineer.
13. That the applicant complies with the storm-water control requirements established by the MPCA.
14. That all exposed earthen surfaces be seeded into grass or utilized as crop acreage.
15. If shower, restroom and/or laundry facilities are to be included with the proposal, that wastewater handling practices are designed and constructed according to state requirements.
16. If a driveway is to be installed off of County Road 14; that a permit shall be applied for with the Blue Earth County Highway Department.

This Conditional Use Permit shall become effective immediately upon its passage and without publication.
