MINNESOTA HOUSING SUPPORT PROGRAM

INTRODUCTION

Housing Support is a state-funded program that provides a monthly income supplement to pay for room and board for seniors and adults with disabilities who have low income. The program aims to prevent or reduce homelessness and institutionalization. The amount of a Housing Support payment is based on a federal and state standard of what an individual would need, at a minimum, to live in the community. In some cases, Housing Support may pay a supplemental amount to the basic rate. Licensed or registered settings that can qualify for a Housing Support Agreement can include adult foster care homes, boarding and lodging, supervised living settings, noncertified boarding care homes, and other assisted living. Providers working with Community settings for Supportive Housing and Supportive Housing Long Term Homeless (LTH) may also qualify for a Housing Support Agreement.

In Blue Earth County, the Human Service Department is responsible for the evaluation of all Housing Support Agreements. Providers will also work with the Financial Assistance Department, to facilitate the payments for eligible Housing Support participants. Depending on the type of setting, providers will need to secure all needed State of Minnesota (Department of Human Services and Department of Health) licensing/registrations prior to the approval of a Housing Support Agreement. The provider will also need to secure all needed licensing, variances and inspection certifications required by the local city/township where the facility is located. **Housing Support Agreements are non-transferable.**

This guide is for existing Housing Support providers and providers who are interested in pursuing Housing Support funding. Within the guide you will find the steps necessary to obtain a Housing Support agreement and expectations that come along with the Housing Support agreement.

Before the funds may be used, the participant, the living situation, & provider must meet statutory eligibility requirements.

- Provider eligibility for Housing Support funding is determined by Blue Earth County Human Services department.
- Participant eligibility is determined by Blue Earth County Financial Assistance department and is based on income, assets and disability.

For more information visit the Housing Support section of the [DHS website](#) and the Minnesota Revisor website for [Housing Support State Statute](#).

Completing an application is not a guarantee the vendor/provider will be approved for a Blue Earth County Housing Support Agreement. No payments are issued until there is a signed Housing Support Agreement. Funding for eligible individuals can only begin as of the date the Housing Support Agreement is executed.

Providers with a current Housing Support Agreement, wanting to develop a new Housing Support location, are not guaranteed a new vendor number (needed to receive vendor payments for Housing Support). Providers must apply to add the new Housing Support location to their agreement by completing a Blue Earth County Housing Support Application. Please consult with your county contact with questions.

New Housing Support locations will not be approved if the Housing Support Provider is not in good financial standing with Blue Earth County.

MINNESOTA HOUSING SUPPORT PROGRAM

HOUSING SUPPORT RATES

The following provides information on the three Housing Support rates and how they are identified in the Minnesota Department of Human Services payment and information systems. Housing Support is a payment directly to the provider of housing on behalf of the eligible person.

Housing Support Room and Board Rate:

The Housing Support room and board rate is based on a federal and state standard of what an individual would need, at a minimum, to live in the community. It is automatically adjusted each year based on changes made in the Federal Benefit Rate (FBR) of the Supplemental Security Income (SSI) program and changes in the value of food support for an individual. The Housing Support room and board rate is defined in MN Statute 2561.03 Subd.2. The Housing Support room and board rate pays rent, utilities, household needs, and under some circumstances food and /or other allowable expenses to access and maintain housing for individuals found to be eligible for Housing Support.

To receive a Housing Support benefit, a person must meet certain eligibility requirements. These requirements include being aged, blind, or over age 18 and disabled according to the criteria used by the Social Security Administration, or certain criteria for Minnesota's General Assistance program. In addition, there are income and asset maximums. Counties administer the Housing Support program for the state and are responsible for determining eligibility.

Supplemental Service Rate

The purpose of the Housing Support Supplemental Service rate is to help individuals receiving housing support to maintain their housing. Individuals must be eligible and receiving the Housing Support room and board rate to be eligible for the Supplemental Service rate. The Supplemental Service rate can only be paid in specific types of settings and to authorized providers. When considering using Supplemental Service rate know that no new **"services beds" can be added to the system unless a facility closes, and a replacement is developed with an equivalent number of beds. This is often referred to as using "banked beds."** One exception in Blue Earth County to using "banked beds" is Supportive Housing (LTH.) Please contact Blue Earth County Housing Support contacts at the end of this document for more information about the availability of Supplemental Service rate.

The Minnesota Legislature establishes the Housing Support Supplemental Service rate. The current maximum rate is \$482.84 per month. Counties and tribes may negotiate the Supplemental Service rates with providers and cannot exceed the maximum rate unless the county agrees to pay the amount over the maximum with county funds, or the Legislature has specifically authorized a higher rate. These Providers typically serve clients who are mentally ill or chemically dependent and are not eligible for a Medical Assistance waiver.

Difficulty of Care

The maximum payment for the Difficulty of Care (DOC) equals the maximum standard for the Housing Support Supplemental Service rate.

Housing Support Benefit Payment Structure

Housing Support benefits are paid directly to the authorized Housing Support provider by the county that services the individual's case. Payments may be paid in two ways:

- **Pre-payments:** this type of payment would be issued at the beginning of the month for individuals eligible for Housing Support. The majority of Housing Support providers receive this type of payment.
- **Post-payments:** this type of payment is issued at the end of the month for individuals eligible for Housing Support.
 - Post payments must be issued when:
 - An individual's placement in a Housing Support setting is expected to last 30 days or less.

MINNESOTA HOUSING SUPPORT PROGRAM

GUIDELINES FOR ALL HOUSING SUPPORT PROGRAMS

Although each Housing Support program is unique, they all share some common components.

Program Requirements

- The “Housing Support room and board rate” is to be used for shelter, fuel, food, utilities, household supplies, and other costs necessary to provide room and board. Examples of these expenses may include toilet paper, bed linens, shampoo, toothpaste, garbage bags, etc.
- A portion of the Housing Support room and board rate must be spent each month on food for each participant. The amount required to be spent on food may or may not change each year on July 1. This amount is based on determinations of the Federal Food Support Programs (SNAP). The provider must inform individuals they are eligible for SNAP upon discharge from the Housing Support facility and/or program. *Providers may be required to provide documentation to prove food purchase that meet SNAP requirements.*
- Providers that are not required to spend a portion of Housing Support room and board rate on food are still required to ensure the recipients of Housing Support have access to food preparation and three nutrition meals a day.
- Provider must maintain all necessary licenses through the appropriate licensing authority.
- Provide a list of residency requirements that include violations that could result in eviction.
- Background checks are required for all employees/volunteers who have direct contact (face-to-face care, training, supervision, counseling, or medication assistance) with recipients, or who have unsupervised access to recipients, their personal property, or their private data.
- All staff members who have direct contact with recipients must have skills and knowledge acquired through **one or more of the following**:
 - A course of study in a health or human services-related field leading to a Bachelor of Arts, Bachelor of Science, or associate degree; **or**
 - One year experience with the target population served (can include being a member of the target population served); **or**
 - Experience as a Minnesota Department of Human Services certified peer specialist
- Meets requirements of unlicensed personnel under Minnesota Statutes sections 144A.43 to 144A.483
- Provider and staff are required to complete two online DHS trainings. Vulnerable Adult Mandated Reporting from DHS and Housing Support Orientation.
- Staff are required to have valid driver’s license if transporting participants.
- The agreement can be terminated in writing by DHS, Blue Earth County, **or** the provider, with or without cause, with two calendar months prior notice.
- Minnesota Department of Human Services has the right to suspend or terminate the Housing Support agreement immediately when it is determined the health or welfare of the housing or service recipients is endangered, or when there is reasonable cause to believe that the provider has breached a material term of the agreement.

Individual Eligibility

Determined by the County Financial Assistance Department the participant resides in.

- Must be 18 and older and disabled or elderly.
- Must meet a basis of eligibility for General Assistance (GA) or Social Security Insurance (SSI).
- Countable income: must be less than maximum benefit.
- Countable assets: must be within the asset limit for the program.
- Individual may have to complete a Combined Application Form (CAF) to apply for the program.

MINNESOTA HOUSING SUPPORT PROGRAM

HOUSING SUPPORT SETTINGS

ADULT FOSTER CARE (FAMILY AND COMMUNITY RESIDENTIAL SETTING)

Adult Foster Care (AFC) is a type of housing for people with disabilities and seniors who need some daily care. Some caregivers own and live in the homes they provide care in, which is referred to as Family Adult Foster Care. While others are employees paid to work in the home, which is referred to as a Community Residential Setting (CRS).

AFC/CRS homes house one to four adults with disabilities and seniors who live together, typically each with their own bedroom. The living room, bathrooms, kitchen, and any other rooms are often shared. Housing Support may pay up to the full cost of room, board, and services, depending on the participant's income, eligibility for a AFC-Difficulty of Care rating or eligibility for MA-Waiver programs. Services provided to individuals may also include the delivery of personal care, household and living skills assistance or training, medication assistance and assistance safeguarding cash resources.

**The State of Minnesota has a moratorium on new CRS settings and has capped the number of homes allowed. Counties cannot grant licenses for CRS applicants unless those providers plan to serve specific individuals who meet certain criteria. The county has no information about when the state will lift the moratorium.*

Program and Building Eligibility

AFC/CRS homes are licensed by the [Minnesota Department of Human Services \(DHS\)](#) which delegates the licensing responsibilities to [Blue Earth County](#).

Participant Eligibility and Application

Beyond the requirements listed in *Guidelines for all Housing Support Programs*, individuals living in an AFC/CRS setting must have some type of functional impairment that make it difficult for them to live alone. MnCHOICES Assessments can help determine if participants would qualify for waiver programs and additional services. For additional information about MnCHOICES assessments, call Blue Earth County Intake at 507-304-4444, option 2.

ASSISTED LIVING FACILITY

Assisted living facility means a facility that provides sleeping accommodations and assisted living services to one or more adults. Assisted living services include one or more services as identified in MN Statutes 1445.08, Subd. 9.

Program and Building Eligibility

Assisted Living Facilities must obtain licensure through [Minnesota Department of Health \(MDH\)](#).

Participant Eligibility and Application

MNChoices Assessments can determine eligibility assisted living services. For additional information about MNCHOICES assessments, call Blue Earth County Intake at 507-304-4444, option 2.

BOARD AND LODGE

Board and Lodging establishments are licensed, congregate settings that offer a room (often shared) and three meals a day to eligible adults and, occasionally, families. Board and Lodges can vary in size, with five or more people living together. Some settings are short-term, time-limited; others may be supportive housing with no specific time limit. Board and Lodges can require participation in skills training or other programming; others have no service requirements. Each Board and Lodge setting can look very different.

Program and Building Eligibility

Board and Lodges are required to be licensed by [Minnesota Department of Health \(MDH\)](#) for a Lodging Establishment License, and/or a Food and Beverage Establishment License when staff prepare food for participants. Board and Lodges with a Service Rate must also have a Special Services Registration with the Minnesota Department of Health (MDH).

Participant Eligibility and Application

Beyond the requirements listed in *Guidelines for all Housing Support Programs*, the target population may be specialized to one disability group (usually persons with a mental illness or substance abuse diagnosis) or gender, or the setting may serve a mix of persons who need and want the level of care provided.

SUPPORTIVE HOUSING PROGRAMS

The Housing Support Supportive Housing creates housing opportunities for income-eligible individuals with disabilities to live independently in the community. Participants work with authorized Housing Support Supportive Housing Providers on housing search and obtaining rental units throughout the community. The authorized Housing Support Providers administer the monthly housing support room and board rate payments on the participants' behalf. The Housing Support room and board rate pays for rent, utilities, and other allowable expenses to access and maintain housing. Participants must have a lease in all Supportive Housing and Supportive Housing (LTH) settings. Rather than being tied to a building or a project, Housing Support Supportive Housing can follow the participant over time if they move to a different rental unit. This ability to follow the participant provides financial stability and enables participant choice.

Housing Support Supportive Housing requires that there be coordination of services necessary to maintain housing stability. (MN Stat. 256I Subd 15) Participants can receive both tenancy supports and broader supportive services, but there is no service funding attached to Housing Support Supportive Housing, unless the County has authorized the use of "banked beds" to use the Supplemental Services rate (SSR). Instead, authorized Housing Support Supportive Housing Providers are expected to either leverage other funding to provide services or to connect participants with other community partners that can provide the needed services.

The intent of Housing Support Supportive Housing is to assist individuals to successfully access rental market housing and to maintain stable housing with the assistance of effective services that meet their needs and preferences.

Program and Building Eligibility

- Providers need a Housing Support Community Setting Agreement with the Blue Earth County.
- Housing settings where a person receives Housing Support Supportive Housing must pass a habitability inspection (Habitability Inspection Form)
- The Housing Support Supportive Housing participants must sign a lease agreement and have the option to prepare their own meals.
- The Housing Support room and board rate can only pay for rent, utilities, food, household supplies, and other "Allowable Expenses" as defined by form DHS-7127-ENG found on eDocs.
- If the authorized Housing Support Supportive Housing Provider is not providing services, they must coordinate services necessary for the resident to maintain housing stability. (MN Stat. 256I Subd 15)
- If the authorized Housing Support Supportive Housing Provider is not providing services, they must maintain a list of all service providers being utilized by the participants and provide the list of service providers to the County upon request.
- If the Housing Support Supportive Housing Provider is receiving Supplemental Service Rate (SSR) they must comply with all Agreement, statutory, and County standards related to SSR.
- All Housing Support Supportive Housing and Supportive Housing (LTH) Providers are expected to review and follow the Blue Earth County Provider Standards for Housing Support Programs: Supportive Housing and Supportive Housing Long Term Homeless (LTH)

Individual Eligibility

The standard eligibility requirements listed in *Guidelines for all Housing Support Programs*.

For more info about Housing Support Supportive Housing call or email the Regional Housing Supports Supervisor, Andrew Pietsch at 507-304-4442, Andrew.pietsch@blueearthcountymn.gov

SUPPORTIVE HOUSING LONG TERM HOMELESS (LTH) PROGRAMS

The purpose of the Housing Support Supportive Housing Long Term Homeless (LTH) is to create community integrated housing opportunities for income-eligible persons with disabling conditions and long periods of homelessness. Participants work with authorized Housing Support Supportive Housing (LTH) Providers on housing search and obtaining rental units throughout the community. The authorized Housing Support Supportive Housing (LTH) Providers administer the monthly housing support room and board rate payments on the participants' behalf. The Housing Support room and board rate pays for rent, utilities, and other allowable expenses to access and maintain housing. Participants must have a lease in all Supportive Housing and Supportive Housing (LTH) settings. Rather than being tied to a building or a project, Housing Support Supportive Housing and Supportive Housing (LTH) can follow the participant over time if they move to a different rental unit. This ability to follow the participant provides financial stability and enables participant choice. This approach minimizes the demands on individuals of forming new relationships with different service providers if the individual graduates or fails at a specific or site-based program.

The Housing Support Supportive Housing (LTH) Provider usually receives the Supplemental Service rate to provide supplemental services to the recipients of housing support. The specific supplemental service model may vary by Provider, with common themes and shared core elements. Specifics related to supplemental services can be found below in the Program and Building Eligibility section, as well as in the Blue Earth County Provider Standards for Housing Support Programs: Supportive Housing and Supportive Housing Long Term Homeless (LTH).

Program and Building Eligibility

- Providers need a Housing Support Community Setting Agreement with the Blue Earth County.
- Providers must be enrolled as a provider with Minnesota Health Care Programs (MHCP) to be able to provide, bill, and be paid for Housing Support Supplemental Services Rate (SSR).
- Provider must participate in the Homeless Management Information System (HMIS) and regional Coordinated Entry process to serve long term homeless (LTH) participants.
- Housing where a person receives Housing Support Supportive Housing and Supportive Housing (LTH) must pass a habitability inspection (Habitability Inspection Form)
- The Housing Support Supportive Housing and Supportive Housing (LTH) participant must sign a lease agreement and have the option to prepare their own meals.
- The Housing Support room and board rate will cover rent, utilities, food, household supplies, and other "Allowable Expenses" as defined by form DHS-7127-ENG found on eDocs.
- Authorized Housing Support Providers of supplemental services must maintain case notes with date and description of services provided to individual recipients. Services may include but are not limited to; assistance with transportation, arranging meetings and appointments, arranging medical and social services, medication reminders, up to 24-hours supervision, and provide, or refer individuals to, tenancy services or supports identified in the Professional Statement of Need (DHS-7122-ENG)
- Authorized Housing Support Providers of supplemental services must ensure that the recipients have, at minimum, assistance with services needed according to their Professional Statement of Need.
- If the Housing Support Supportive Housing Provider is receiving Supplemental Service Rate (SSR) they must comply with all Agreement, statutory, and County standards related to SSR.
- All Housing Support Supportive Housing and Supportive Housing (LTH) Providers are expected to review and follow the Blue Earth County Provider Standards for Housing Support Programs: Supportive Housing and Supportive Housing Long Term Homeless (LTH)

Individual Eligibility

Beyond the requirements listed in *Guidelines for all Housing Support Programs*, the individual must:

- Meet MN LTH definition: lacking a permanent place to live continuously for one year or more or at least four times in the past three years (MN Stat 256K.26 Subd.3.) Any period of institutionalization or incarceration are excluded when determining the length of time the household has been homeless.
- Provide verification of referral from Coordinated Entry System.
- Eligible recipients must have the two of the following needs (verified by a Qualified Professional on the Professional Statement of Need form (DHS-7122-ENG))
 - Tenancy supports to assist with finding their own home, negotiate with landlord, secure furniture, and household supplies, understand and maintain tenant responsibilities, conflict negotiation, budget and financial education.
 - Supportive services to assist with basic living and social skills, household management, monitoring overall well-being, and problem solving.
 - Employment supports to assist with maintaining or increase employment, increase earnings, understand and utilize appropriate benefits and services, improve physical or mental health, move toward self-sufficiency and achieve personal goals.
 - Health supervision services to assist with preparation and administration of medications other than injectable, the provision of therapeutic diets, take vital signs, and help in dressing, grooming, bathing or with walking devices.

For more info about Housing Support Supportive Housing Long Term Homeless (LTH) call or email the Regional Housing Supports Supervisor, Andrew Pietsch at 507-304-4442, Andrew.pietsch@blueearthcountymn.gov

MINNESOTA HOUSING SUPPORT PROGRAM

ESTABLISHING A NEW HOUSING SUPPORT AGREEMENT

All programs wanting to access Housing Support funds are required to complete a Blue Earth County Housing Support application.

ADULT FOSTER CARE/COMMUNITY RESIDENTIAL SETTING AND ASSISTED LIVING FACILITY

Providers interested in establishing a new AFC/CRS or Assisted Living facilities within Blue Earth County will be required to complete several steps prior to being eligible to receive Housing Support funds.

- Licensed with Minnesota Department of Health as an Assisted Living facilities and/or Comprehensive Health Care.
- Licensed with Department of Human Services as an AFC/CRS through Blue Earth County Human Services.
- Complete provider enrollment through DHS.
- Mandatory background checks for all staff/volunteers who have direct contact with Housing Support participants.
- Knowledge and experience with target population.
- Completion of two online DHS trainings: Vulnerable Adult Mandated Reporting and Housing Support Orientation.
- Requirement for all staff to have valid driver's license if transporting participants.
- Complete a Housing Support application through Blue Earth County Human Services Department. Attach the following documentation to a completed Housing Support application:
 - Current copy(s) of Minnesota Department of Health Assisted Living licenses
 - Current copy of Minnesota Department of Human Services Adult Foster Care License
 - List of residency requirements that could result in eviction
 - Tenant lease (required for Assisted Living Facilities)
 - Tenant admission/screening process
 - Tenant discharge plan

Existing AFC/CRS and Assisted Living Facilities wanting to establish a new setting in Blue Earth County will be required to follow the steps as outlined above. Blue Earth County may require existing provider to report outcomes of existing programs along with the Housing Support application.

**There is a moratorium on establishing new CRS beds in the state of Minnesota. Blue Earth County will only create new CRS beds with an approved moratorium request.*

BOARD AND LODGE SETTINGS

Providers interested in establishing a new board and lodge setting within Blue Earth County will be required to complete several steps prior to being eligible to receive Housing Support funds.

- A location will need to be identified. The provider will need to receive approval to use the residence as a board and lodging facility from the local city council and zoning commission. Blue Earth County will require proof of this approval/valid rental license.
- The setting will need to be licensed by Minnesota Department of Health.
- Minnesota Department of Health Special Services Registration for Board and Lodges with a Service Rate.
- Mandatory background checks for all staff/volunteers who have direct contact with Housing Support participants.
- Knowledge and experience with target population.
- Completion of two online DHS trainings: Vulnerable Adult Mandated Reporting and Housing Support Orientation.
- Requirement for all staff to have valid driver's license if transporting participants.

ESTABLISHING A NEW HOUSING SUPPORT AGREEMENT CONTINUED...

- Complete a Housing Support application through Blue Earth County Human Services Department. Attach the following documentation to a completed Housing Support application:
 - Current Minnesota Department of Health Board and Lodge licenses
 - Board and Lodges with a Service Rate must attach current Minnesota Department of Health Special Services Registration
 - Lease or house rules that could result in eviction
 - Participant admission/screening process
 - Participant discharge plan if applicable

Providers with a current Housing Support Agreement, wanting to develop a new Housing Support location, are not guaranteed a new vendor number (needed to receive vendor payments for Housing Support). Blue Earth County may require existing provider to report outcomes of existing programs along with the Housing Support application.

SUPPORTIVE HOUSING PROGRAMS

Providers interested in establishing a new Housing Support Supportive Housing program within Blue Earth County will be required to complete several steps prior to being eligible to receive Housing Support funds.

- Mandatory background checks for all staff/volunteers who have direct contact with Housing Support participants.
- Knowledge and experience with target population.
- Completion of two online DHS trainings: Vulnerable Adult Mandated Reporting and Housing Support Orientation.
- Requirement for all staff to have valid driver's license if transporting participants.
- Complete a Housing Support application through Blue Earth County Human Services Department. Attach the following documentation to a completed Housing Support application:
 - Participant admission/screening process
 - Participant discharge plan
 - Written agency policy regarding client obligations and unpaid client obligations
 - Written agency policy regarding unspent Room and Board Rate / Pooled funds
 - Client Grievance and Appeal Process
 - List of provided services OR coordinating service providers
- Review and express understanding and ability to follow the Blue Earth County Provider Standards for Housing Support Programs: Supportive Housing and Supportive Housing Long Term Homeless (LTH)

The completed application for Housing Support Supportive Housing should be submitted to the Regional Housing Supports Supervisor within the Blue Earth County Human Services Department.:

Andrew.pietsch@blueearthcountymn.gov

or

Blue Earth County Government Center
Attn: Regional Housing Supports Supervisor
410 S. 5th Street P.O. Box 3526
Mankato, MN 56002-3526

Priority will be given to applicants that demonstrate:

- experience and capacity in administering Housing Support Supportive Housing with the target population.
- projects that are in alignment with county priorities and goals, and that promote links among affordable housing, transit, employment, community resources, and supportive services.
- project results in affordable housing opportunities and/or services not now provided or provided on a limited basis as compared to determined need.
- knowledge of Housing Support, including eligibility requirements, quality standards, provider qualifications, financials, and reporting.

ESTABLISHING A NEW HOUSING SUPPORT AGREEMENT CONTINUED...

- knowledge of local community supports and resources.
- Staff and/or services associated with the housing are culturally competent.
- project assists participants with increasing self-sufficiency and transitioning to less restrictive and more independent housing.

SUPPORTIVE HOUSING LONG TERM HOMELESS (LTH) PROGRAMS

Providers interested in establishing a new Housing Support Supportive Housing Long Term Homeless (LTH) program within Blue Earth County will be required to complete several steps prior to being eligible to receive Housing Support funds.

- Providers must be enrolled as a provider with Minnesota Health Care Programs (MHCP) to be able to provide, bill and be paid for Housing Support Supplemental Services.
- Provider must participate in the Homeless Management Information System (HMIS) and regional Coordinated Entry processes.
- Mandatory background checks for all staff/volunteers who have direct contact with Housing Support participants.
- Knowledge and experience with target population.
- Completion of two online DHS trainings: Vulnerable Adult Mandated Reporting and Housing Support Orientation.
- Requirement for all staff to have valid driver's license if transporting participants.
- Complete a Housing Support application through Blue Earth County Human Services Department. Attach the following documentation to a completed Housing Support application:
 - Participant admission/screening process
 - Participant discharge plan
 - Written agency policy regarding client obligations and unpaid client obligations
 - Written agency policy regarding unspent Room and Board Rate / Pooled funds
 - Client Grievance and Appeal Process
- Review and express understanding and ability to follow the Blue Earth County Provider Standards for Housing Support Programs: Supportive Housing and Supportive Housing Long Term Homeless (LTH)

The completed application for Housing Support Supportive Housing Long Term Homeless (LTH) should be submitted to the Regional Housing Supports Supervisor within the Blue Earth County Human Services Department.:

Andrew.pietsch@blueearthcountymn.gov

or

Blue Earth County Government Center
Attn: Regional Housing Supports Supervisor
410 S. 5th Street P.O. Box 3526
Mankato, MN 56002-3526

Priority will be given to applicants that demonstrate:

- experience and capacity in administering Housing Support Supportive Housing with the target population.
- projects that are in alignment with county priorities and goals, and that promote links among affordable housing, transit, employment, community resources, and supportive services.
- project results in affordable housing opportunities and/or services not now provided or provided on a limited basis as compared to determined need.
- knowledge of Housing Support, including eligibility requirements, quality standards, provider qualifications, financials, and reporting.
- knowledge of local community supports and resources.
- Staff and/or services associated with the housing are culturally competent.

- project assists participants with increasing self-sufficiency and transitioning to less restrictive and more independent housing.

MINNESOTA HOUSING SUPPORT PROGRAM

RENEWING HOUSING SUPPORT AGREEMENTS

Housing Support Agreements are renewed annually on or before July 1 when the rate changes occur. A staff from Blue Earth County Human Services will send an updated Housing Support agreement to existing providers prior to the rate change. Blue Earth County Human Services staff will verify that the Housing Support provider is still in compliance with all the terms of the Housing Support Agreement prior to an updated agreement being sent.

ADULT FOSTER CARE, ASSISTED LIVING FACILITIES, BOARD AND LODGE SETTINGS, SUPPORTIVE HOUSING AND SUPPORTIVE HOUSING LONG-TERM HOMELESS (LTH) PROVIDERS

- Provider must submit all current licenses and registrations.
- Provider will submit a list of residency requirements that could result in eviction (including appeal process).
- Provider must submit updated Vendor Profile forms
- Mandatory background checks for all staff/volunteers who have direct contact with Housing Support participants.
- Completion of two online DHS trainings: Vulnerable Adult Mandated Reporting and Housing Support Orientation.
- Requirement for all staff to have valid driver's license if transporting participants.
- If county staff have been alerted to concerns about a provider during the year, the provider will be contacted, and a plan will be put in place for the provider to get back in compliance with the Housing Support Agreement.
- Blue Earth County may require existing provider to report updates and outcomes from existing programs.
- A Housing Support Agreement will be mailed after verification of submitted materials
- Housing Support Agreement must be signed by provider and mailed back to Blue Earth County Human Services

MINNESOTA HOUSING SUPPORT PROGRAM

TENANCY AND LANDLORD RIGHTS

All units or dwellings must have a lease, or similar legally enforceable agreement, which includes the same responsibilities and protections from eviction as all tenants under landlord tenant law of state, county, city or other designated entity. *If tenant laws do not apply*, the written agreement (house rules/intake paperwork) must address eviction processes and appeals comparable to those provided under the jurisdiction's landlord tenant law. The vendor must submit a list of residency requirements that could result in eviction prior to approval of the Housing Support agreement.

For more information about Landlord/Tenant rights, visit the [MN Attorney General Website](#). Tenant housing advocacy services are also available for both tenants and landlords: [Home Line](#).

Approved Housing Support settings may not be the preferred living situation for many seniors and individuals with disabilities. Housing Support participants should be offered several [housing options](#) and similar services if they choose to live in their own homes or apartments. [Housing Link](#) can help Housing Support participants find affordable housing and offers landlords to list their own rental properties.

MINNESOTA HOUSING SUPPORT PROGRAM

FREQUENTLY ASKED QUESTIONS

1. What are allowable costs for "housing expenses"?

Answer: Rent, utilities including phone, and furniture. For Board and Lodges, this includes operating costs of a building such as: taxes, insurance, maintenance, building service contracts such as snow removal and yard maintenance, debt service, fuel, food, utilities, household supplies, and other cost necessary to provide room and board. Services to the tenant are not considered housing costs. Community settings, Supportive Housing and Supportive Housing LTH must follow the "Allowable Expenses" as defined by form DHS-7127-ENG found on eDocs.

2. The new Housing Support statute says licensed and registered settings must ensure that participants have, "food preparation and service for three nutritional meals a day on site." What does that mean?

Answer: Housing Support providers need to ensure that the three meals a day are nutritious. They can do this in three ways: prepare and serve three nutritious meals daily to each resident or provide residents with raw food and supervise meal preparation and service three times daily, or otherwise ensure the provision of three nutritious meals daily. For guidance on standards for a "nutritious meal", providers can consult with public health officials. DHS can also help connect providers with SNAP outreach resources if needed.

3. Are Housing Support providers required to provide special diets such as gluten free, lactose free, or supplemental diets (Boost/Ensure)?

Answer: Housing Support does not require providers to accommodate special diets. Providers should check with their licensing authority for additional requirements.

4. The new Housing Support statute says licensed and registered settings must ensure that participants have, "...cooling, supplies, and parts and tools to repair and maintain equipment and facilities." What does that mean?

Answer: Housing Support providers need to ensure that the settings where Housing Support recipients live have the materials and resources required to provide for residents' health and well-being. For example, air conditioning is not required if fans or other methods provide for the residents' health and well-being. Providers should use their best judgment to ensure that the minimum standards are met in your particular setting. Providers should check with their licensure for more specific guidance on compliance with physical plant issues.

5. Are phone and internet required provisions of room and board?

Answer: Licensed and registered providers must ensure there is at least one telephone per site is available to residents. Internet service is not required.

6. What are the disabilities that qualify an individual?

Answer: Any physical, mental, or chemical disability that prevents a person from obtaining self-supporting employment.

8. What are the new Housing Support changes for individual budgeting and reporting?

Answer: People who receive Housing Support and work will have a Housing Support benefit based on an estimate of income for the next 6 months. If income changes, contact Financial Assistance so they can determine benefit allocation.

9. How will we be notified when they change Housing Support policy?

Answer: DHS may release a bulletin on the DHS's Housing Support page. DHS is also working to establish a forum for sharing information and updates with all vendors and providers across the state.

10. What are allowable expenses for Housing Support Supportive Housing and Supportive Housing Long Term Homeless (LTH) providers?

Answer: Allowable Expenses can be located on the eDocs forms DHS-7127-ENG.

MINNESOTA HOUSING SUPPORT PROGRAM

PARTICIPANT BENEFITS AND RESOURCES

Most people who receive Housing Support are also eligible for other public benefits that could be affected by income. Medical Assistance and SNAP (food support) are two other common benefit programs individuals eligible for Housing Support may be eligible to access. For the majority of individuals in Housing Support settings they are not eligible for food support. Upon discharge from the Housing Support settings, staff are **required** to inform individuals that they may be eligible for SNAP benefits.

Benefits Planning

It is important for people who receive any public assistance benefit (and the people who help them) to understand how benefits work together and how changes in income, resources and living situation affects each program. It is also important to plan for expected changes such as going from one assistance program to another (e.g., GA to SSI), or physically moving (e.g., Housing Support setting to own apartment) or going to work and having earned income. This is called "benefits planning."

The Disability Benefits 101 web site www.DB101.org is an excellent resource to help understand disability related benefits, how they can work together (or not) and how work might impact those benefits. DB101.org has a live chat option and a direct phone number for the Disability Linkage Line so you can verify benefits and get answers to questions.

If a person is receiving Social Security disability benefits or SSI and is interested in going to work, a great resource is the Minnesota Work Incentives Connection. They can help clearly explain the effect work will have on benefits. **Minnesota Work Incentives Connection (1-800-976-6728)** www.mnworkincentives.com
